The Bell of KING RAM RAMKHAMHAENG

This bell was constructed on 21st July 1986.

It is a replica of the original bell discovered during excavation of the old city.

The bell was made in dedication to King Ram Khamheang the Great Who ruled his Kingdom with compassion and Justice.

The bell symbolizes happiness and signifies that Thailand will be peaceful and famous as the bell chimes in the hearts of people throughout the world forever.

Please ring this sacred bell and you Will receive a blessing
